Financial Benchmarking and Insights Summary 2023
- 2024:

Roundwood Primary School

This is the financial benchmarking and insights summary for your school. It captures highlights of your school's spending compared with a number of similar schools (see below).

This summary uses financial data from the Consistent Financial Reporting return and staffing data from the School Workforce Census for 2023 - 2024.

This summary is intended for school leadership and governance teams, with the intention of stimulating discussion on where resources may be used more effectively.

It is highly recommended that you use the [Financial Benchmarking and Insights Tool \(/school/110228\)](#) to carry out more in-depth benchmarking for your school.

Who you are compared with

We have selected 2 sets of similar schools to benchmark your school with depending on the spend area in question.

Running cost categories i.e. those that relate to the educational operations of the school include staffing (excluding premises staff), ICT, consultancy and catering.

We choose these schools based on:

- school phase or type
- region
- number of pupils
- pupils eligible for free school meals (FSM)
- pupils with special educational needs (SEN), or proportion of various SEN provisions for special schools

Building cost categories i.e. those that relate to the upkeep of the school premises, such as utilities, cleaning and maintenance costs.

We choose these schools based on:

- school phase or type
- region
- gross internal floor area
- average age of buildings
- whether they are a Private Finance Initiative (PFI) school
