

Year 3 – Spring 2

These activities are designed to give you ideas of activities to do at home with your families or independently, to support your learning at school. Please choose one per fortnight. We can't wait to see your creativity!

Geography Settlements

The United Kingdom is an Island surrounded by the North Atlantic Ocean, the North Sea, the Irish Sea and the English Channel. It has lots of famous **cities** that attract thousands of tourists each year.

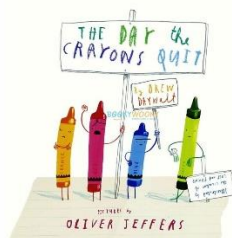

What you can do:

- **Research** a famous city of your **choice**, you could choose: London, Cardiff, Edinburgh or Belfast or any other city of your choice.
- **Design a city break leaflet, flyer or poster** explaining why you might want to visit this place.
- You could include: famous historical sites to visit, restaurants, museums and lots more.

English

This half term we will use our learning last half term in History to write a Non Chronological Report about King Tut. Can you do some research about him for your report?

We will also be reading 'The Day the Crayons Quit', by the author Oliver Jeffers.

Can you find any more of his books at home or at your local library?
Can you write a book review for your chosen book to share with the class?

PE

In PE our topic is Outdoor Adventurous Activities.

Can you design a scavenger hunt for someone else?

Tips for designing a scavenger hunt:

- Decide where the scavenger hunt will take place.
- Decide if it will be a themed scavenger hunt, such as a nature or colour-themed hunt.
- Create a list of items for the participants to find.
- Specify how long participants have to complete it.
- Decide if bonus points will be given for specific items.

Computing

Programming

This half term in Computing, you will be exploring the programme 'Scratch', this is a free app. Perhaps you can practice your new skills at home. Then share what you have done with your classmates?

Bread Making

In DT we will be tasting different types of bread and then designing and making our own bread.

At home perhaps you can explore this further. Why not pop to the shop and choose a few different types of bread. Perhaps you could try something you have never tried before?

Maybe you could have a go at making your own bread. This is a great recipe for Pitta Bread, which tastes great with dips such as houmous.

PSHCE

Earn some pocket money

This half term we will be learning about our rights and responsibilities. This includes looking at how people earn money.

At home can you develop a list of jobs you could help with at home to earn a little pocket money such as:

- Helping to fold the washing
- Washing up or helping to load / unload the dishwasher
- Tidying your bedroom
- Helping to wash the car
