

Roundwood
PRIMARY SCHOOL

Year 6 – Summer 2

These activities are designed to give you ideas of activities to do at home with your families or independently, to support your learning at school. Please choose three to complete this half term. We can't wait to see your creativity!

STEM Challenge- Build a bridge! Following on from our skyscraper challenge and our learning about the Forth Railway bridge. Research different bridges and then create your own using any of the following: -Lego -Toilet rolls -Lollipop sticks -Books Take a picture or a draw a sketch and put it your homework book.	English We are reading the novel – “Wonder” by RJ Palacio Make a fact file about the author RJ Palacio. Try to include the following points: • Her life so far • Her motivation for writing the book • Other literary achievements	Maths We have been learning about ratio. Find a baking recipe that you think would be very tasty... can you work out the amount of ingredients you need to make enough for 28 children? Write the recipe in your homework book... we may even bake it this term too!	D.T. / Art We will be looking at making film posters. Research different film posters (or visit them at the cinema!) and recreate one to advertise our production, Paws and Claws. Will you use marker pens? Will you include illustrations or photos? How much colour will you add?
Drama Learn your lines for our upcoming production. Remember to practise with someone else so you know your cues too!	Changing and Growing Head to this website: KS2 PSHE, Relationships Education, and Health Education - BBC Teach to learn ways in which to cope and understand the changes that happen as puberty begins.	The History of Rounders Using the Britannica Encyclopaedia (online at Rounders English game Britannica) Learn about the history of rounders. Can you play the traditional version of the game? Try it out with friends at the Richard Roper fields!	PSHCE Go on to your new school's website and take a look at their timetable. Can you write out a timetable for a typical week for Year 7 – include when you will do your homework, how you will prepare for each day, add extra-curricular activities after the school day...
